Engineers Without Borders (EWB) is a non-profit humanitarian organization dedicated toward bringing sustainable engineering solutions to quality of life problems faced by developing communities worldwide.

Come meet the members of the EWB Pittsburgh Professional Chapter, along with students from the University of Pittsburgh, Carnegie-Mellon University and other local universities partnering with EWB-PPC. Presentations will highlight the work performed by EWB-PPC locally and on two different continents.

*For more information, visit EWB-PPC's website at: [ewb-pitt.org](http://ewb-pitt.org)*

*All proceeds benefit EWB-PPC Implementation Projects. All contributions are fully tax-deductible. EWB-USA is a non-profit 501(c)(3) tax exempt corporation.*

*EWB-Pittsburgh taking a break from work in Makili, Mali*

**BUILDING A  
BETTER WORLD.  
ONE COMMUNITY  
AT A TIME.**
